

Company Profile

Turning Scrap into Value

Your Trusted Scrap Partner — easy, fast,
and fair deals for individuals and businesses.

About MobiSteel Traders

MobiSteel Traders is a dynamic scrap trading and recycling company based in Sandton, South Africa. We specialise in buying and collecting all types of scrap and second-hand materials — from metals and plastics to appliances and mixed recyclables. Whether you are an individual clearing out or a business managing industrial waste, we make scrap selling simple, accessible, and rewarding.

Our mission is to turn everyday scrap into meaningful value while supporting a cleaner, more sustainable future. We combine fair pricing, reliable collection, and responsible recycling to build long-term partnerships with our clients across Gauteng.

Our Mission

To make scrap selling simple, fair, and rewarding — while promoting responsible recycling that protects the environment.

Our Vision

To be South Africa's most trusted scrap trading partner, transforming waste into opportunity for communities and industries alike.

Our Services

From scrap to value — we handle it all. MobiSteel Traders offers comprehensive scrap buying and recycling solutions tailored for both individuals and businesses.

On-Site Collection

Convenient pickup services designed to save you time and effort. We come to your home, site, or business.

Scrap Metal Buying

We buy aluminium, copper, steel, iron, and non-ferrous metals at fair, transparent, market-linked prices.

Plastic Recycling

All types of plastics collected, sorted, and processed for responsible recycling.

Appliance & Mixed Scrap

Old appliances, machinery, and general recyclables — handled professionally end-to-end.

Materials We Buy

Aluminium	Copper	Steel & Iron
Non-ferrous Metals	Plastics (all types)	Appliances & Machinery

Our Values

We believe in honesty, fair dealing, and putting our customers first.

Integrity

Every transaction handled with honesty, transparency, and fairness.

Customer Focus

Our clients come first — we make scrap selling simple, rewarding, and hassle-free.

Sustainability

Responsible recycling practices that protect the environment and promote a cleaner future.

Reliability

From pricing to collection, we deliver consistent, dependable service you can trust.

Why Choose Us

At MobiSteel Traders we believe scrap selling should be simple, fair, and rewarding. Our team combines industry expertise with customer-focused service — ensuring competitive prices, reliable collection, and eco-friendly recycling solutions. Whether you are an individual or a business, we make turning scrap into value effortless.

- Competitive, market-linked pricing with transparent weighing.
- Fast, reliable on-site collection across Gauteng.
- Compliant, responsible recycling and disposal.
- Friendly, professional team ready to assist.

Frequently Asked Questions

What types of scrap do you buy?

We purchase a wide range of materials including aluminium, copper, steel, iron, plastics, non-ferrous metals, appliances, and mixed recyclables.

Do you collect scrap from homes and businesses?

Yes. We offer convenient collection services for both individuals and businesses — from household scrap to industrial waste.

How do I know I'm getting a fair price?

We pride ourselves on transparent, competitive pricing. Our team assesses your materials honestly to ensure the best possible value.

How do I request a quote?

Contact us by phone, WhatsApp, or email with a description of your materials — we'll come back to you quickly with a fair offer.
